

**“THE SHORTEST DISTANCE BETWEEN  
TWO PEOPLE IS A SMILE.”**

*Victor Borge, Comedian*

Everybody has a sense of humour. The trick is to use it. It does not take talent to do so.

Using humour is not necessarily about being funny or about making others laugh. It is about appreciating its benefits and enhancing our lives, as well as the lives of those with whom we communicate.

Presentations run from half an hour upwards.
